Chicken wings are what we do best. Marinated 24 hours, our wings are full of flavor without too much heat. We have won dozens of awards - Best Wings in Detroit Hour Magazine five years running. Best Wings in Detroit Metro Times, Best Wings in the State of Michigan 2018 MLive-WJR, Top 20 placement in the United States Thrillseeker, to name a few. We sell 15,000 lbs. weekly between four locations and our food truck so we are not alone in liking them. We serve approximately 1-1/2 pounds of wings (weight before frying) which is about eight or ten wings depending on the size. Wings are served with a choice of bleu cheese or ranch, celery- enjoy

Voted best ribs in Detroit (Detroit Free Press), we will put our ribs up against any in the city, they are that good. Furthermore, we're so anxious for you to try our ribs that we will throw in a full order of Sweetwater Wings absolutely free.

# PIZZA

Our pizza experience goes back forty years. We started selling pizza at the Pizza Baron (Harper & Nine Mile) in St. Clair Shores. Although the baron is long gone our love for making pizza Remains. We make our own dough and let it rise for 36 hours to ensure a crispy crust with a chewy deep flavor. Our pizza sauce is also homemade using red pack tomatoes and a wonderful blend of spices.

At Sweetwater Tavern all of our ingredients are prepared fresh everyday, from our Homemade Meatballs to chopped red onion, we take care and pride in all we do. Enjoy!
